Dear Sir:

The applicant respectfully requests the withdrawal of the Early Publication Request submitted for the above-captioned patent application. The projected publication date of the application, as reflected in the Filing Receipt with the Early Publication Request, is currently August 26, 2004. The applicant requests that the application be published with the Normal Publication schedule, approximately eighteen months after filing.

The applicant further respectfully requests that the \$300.00 Early Publication Request petition fee be credited to the application for future fees and payments.
